HR EXCELLENCE IN RESEARCH

Public notice for collecting scientists applications finalized at recruiting of professors according to the direct call procedure - art. 1, paragraph 9, law 230/2005-

Art. 1 - The University of Palermo is looking for candidates with an exceptional international scientific and teaching reputation and an established excellent academic record through an internationally recognized research program as well as with experience within the third mission area. This public notice aims at collecting expressions of interest of scientists for filling permanent positions either of full or associate professors.

Art. 2 -The following profiles are eligible:

- a) scientists who have been working on a permanent teaching or research position in a foreign university or foreign research institution for at least three years and holding an academic position equivalent to that is applying for, as identified by the MUR (DM n. 456 dated 10-05-2023);
- b) scientists who have been awarded in the framework of specific research programs of high qualification, financed by the European Union or by the Ministry of University and Research so identified:
FIS - Advanced Grant
ERC - Starting Grant
ERC - Consolidator Grant
ERC - Advanced Grant.

Art. 3 - Applicants must submit their application form online, using the online application form available on the following webpage:

<https://pica.cineca.it/unipa/>

The candidate will be able to access the competition platform using the SPID system (Public Digital Identity System), selecting the University of Palermo among the institutions. Alternatively, the candidate will be able to register and access using credentials issued directly by the platform or authenticate with his/her LOGINMIUR, REPRISE or REFEREES account, if in possession. The computer application will require the possession of an e-mail address in order to register to the system. Applicants must enter all the data required to produce the application form and attach the documents in PDF format:

- motivation letter;
- curriculum vitae including a list of publications and a brief description of the most significant publications;
- statement of research, teaching, public engagement and so on (max 10000 characters included spaces);
- documents proving the correspondence between the Italian and foreign academic positions.

Once the application has been completed and all the attachments have been enclosed, the candidate must click on the "submit" button ("presenta"). The completion of the application will be proven only by the change in the status of the application, which will appear "submitted" ("presentata") and no longer "in draft" ("in bozza").

The candidates must present only one application and must apply for a single position indicating one or more academic discipline considered congruent with the scientific activity.
