

## Curriculum Vitae

**Family name:** Di Maria  
**Given name:** Monica  
**Date of birth:** 23/03/1996  
**Citizenship:** Italian  
**Email address:** monica.dimaria@unipa.it

### Qualifications

2020-2023: Master Degree in Food Science and Technology (LM-70) at Università di Bologna, with a thesis entitled "The analysis of volatile compounds to support the Panel test for the classification of virgin olive oil"

2014-2019: Bachelor Degree in Agricultural Science and Technology (L-25) at Università degli Studi di Palermo

2023: she is qualified to practice as Food technologist at Università di Palermo

### ORCID

<https://orcid.org/0009-0004-4675-9474>

### Location

Department of Agricultural, Food, and Forest Sciences (SAAF), Viale delle Scienze, Building 4, Entrance L, Room 136

### Studies abroad

### Research interests

Chemical-physical analysis in different olives and olive oil, NMR relaxometry, innovative techniques for analyzing olive oil

### Expertise

Scientific research on the analytical methods for the classification of extra virgin olive oil

### Tutor

Prof. Diego Planeta

### Co-tutor

Prof. Pellegrino Conte

### Language skills

Italian, English

### IT skills

Microsoft Office software (Word, Power Point, Excel)

### Awards and scholarships
