

**English Courses for the Faculty of Engineering: ENG1; ENG2;  
ENG3;**

**Teacher: Piero Francesco Savatteri**

**Polo Didattico Building 19 Classroom 1**

**Guidelines:**

**Used & Suggested Texts:**

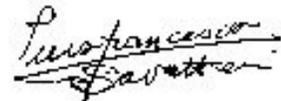

1. Class book: Headway Elementary digital, L & J Soars; Oxford
2. Grammar Reference & Exercises; Grammar Spectrum, K Paterson, M Harrison, N Coe, A Amendolagine, Oxford
3. Possibly some Material Prepared by Me
4. Any Bilingual Dictionary

I will weekly post grammar exercises on this website and a week later I will also post the answers. If after looking at the answers you still have doubts feel free to contact me through e-mail ([pierfrancesco.savatteri@unipa.it](mailto:pierfrancesco.savatteri@unipa.it)).

**Some general information about the course:**

The 3uc (University Credit) course is designed for a B1 level proficiency and is 40 hours long. The course is given in English and students are invited to speak English during the class. Also messages, e-mails and so on will be in English. However, if you ask any written message or part of it will be translated into Italian.

At the moment I receive students in T214 (DREAM) on Thursday from 2:30 to 3:30 pm. Students may contact me through e-mail.
